The Trustee of the Recreation Ground has approved, *in principle*, to provide a Multi-Use Games Area (MUGA) on part of the most degraded bowling green near the car park, in the lowest part of the Recreation Ground. By purposefully locating the MUGA across the western edge of the bowling green, the eastern flank of the MUGA would be 18.75m from the edge of the closest rear garden of the residential properties on the Great North Road and 50m from the habitable rooms of the closest residential property (No.1 Great North Road). The proposed location is indicated by the red line on the plan opposite. No floodlighting is proposed and the MUGA facility would be unlit.
