Happy New Year to all our friends and neighbours,

We celebrated Christmas in school and at Church in the week before we broke up. Reception children were the stars of our Nativity and performed brilliantly!

We have started the new year with enthusiasm and children are busy with their new learning. We are very proud of our close relationships with local community groups and this term, we have been working in collaboration with Leeds Museums and Galleries to bring to life our local history learning. Children will be visiting Lotherton Hall to learn all about The Gascoignes and their influence on Micklefield and the surrounding areas.

We are also looking forward to welcoming some duckling eggs to support learning in Early Years – we are all so excited and cannot wait to see them hatch!

We continue to grow as a Trust and seven schools now form part of the Collaborative Learning Trust and we continually work together to ensure we are a highly successful learning community that provides outstanding, sustainable, and inclusive 'nursery to 19' education for young people of all abilities.

We still have spaces in across school, please do contact the office for an appointment to look around.

In faith, hope and love

Emma Cook (headteacher)

We have spaces across school from
Nursery to Year 5.

Please do call us for an appointment to
look around our thriving village school.

The nurture of pupils and families is a central feature of the school's practice."

SIAMS inspection

"In Early Years, there is a strong focus on developing children's communication, language and mathematical skills."

OFSTED

'Children at Micklefield are seen as individuals, not statistics.' Parent
